RE: PHOTO STUFF

**PHOTO NIGHTS:**

For choreographers and skit directors, please have some idea how you want your number/skit positioned for photos. Please remember that at either the tag or curtain, your cast is to stay on stage for photos.

**DRESS:**

We will be shooting the run of the show during dress rehearsal.

**“CUSTOM PHOTOS”**

As before, we will be set up in the library on Friday, Saturday and Sunday's of the run of the show. Please get your photos done as early as possible.

**PHOTO/VIDEO SALES**

Photo sales will be through Shutterfly as before. Video orders will be taken in the library. Cast party tickets also may well be sold in the library. Stay tuned for further information.
